

Have you reached a *critical point*
in your business?

THE *executive* INFLUENCE

COACHING & CONSULTING

At The Executive Influence, we work with business owners and leaders who have been successful, but have reached a critical point.

We help in two areas: *business effectiveness* and *executive (personal) effectiveness*.

Jim Searing, Quality Manager at KelTech, Inc., found help and success with Jeff Chaffin and The Executive Influence.

“We sat down and he developed some game plans.”

“He was able to see our weaknesses where we couldn’t see them.”

“With Jeff’s involvement, we were able to think outside the box.”

“It allowed us to become stronger as a company, and as individuals.”
